CUSTOMS NOTICE NO. 7 OF 2018

IMPLEMENTATION OF THE PRE-CLEARANCE OPTION ON THE ASYCUDAWORLD SAD

In order to facilitate the capturing of statistics on pre-cleared consignments, the Zambia Revenue Authority is introducing a field (PRE) on the SAD where Declarants will tick when a consignment is being pre-cleared or leave it blank if the consignment is not being pre-cleared.

This new field will apply to all import declarations on ASYCUDAWORLD.

The image shows a screenshot of the ASYCUDAWORLD SAD form. A red circle highlights the 'PRE' field, which is a checkbox. The form includes a barcode at the top left, a '2 Exporter' field, and a '1 DECLARATION' section. Other fields visible include '3 Forms', '4 Load List', '5 Items', '6 Nbr packages', and '7 Reference number'. The 'PRE' field is currently unchecked.

As for Kenneth Kaunda International Airport (KKIA), the tick box will replace the entry regime type 'PRE'. This implies that users will no longer be required to use the 'PRE' entry regime as this will be closed on the ASYCUDAWorld system.

This change will take effect on 3rd September, 2018.
