

DEBT RECOVERY MEASURES FOR TAX ARREARS

The Zambia Revenue Authority (ZRA) would like to notify taxpayers with tax arrears that effective 29th January, 2024, the Authority will institute debt recovery measures to collect all tax debts. Despite several previous reminders, ZRA has observed that some taxpayers are still owing.

Defaulting taxpayers are therefore advised to take immediate action and pay all the tax arrears. Failure to pay will result in recovery action being instituted using any of the following:

- **Suspension of the Tax Clearance Certificate**
- **TPIN blocking**
- **Bank Garnishes**
- **Warrant of Distress**
- **Third Party Supplier Garnishes**
- **Charge on Land**
- **Court Process.**

Avoid being inconvenienced by paying all outstanding tax liabilities as this enforcement will be with immediate effect.

For any clarifications, do not hesitate to contact ZRA.
