ROLLOUT OF THE CHINA INTERNATIONAL TRADE SINGLE WINDOW FOR THE ELECTRONIC ISSUANCE OF CERTIFICATES OF ORIGIN FOR EXPORTS TO CHINA

The Zambia Revenue Authority (ZRA) would like to inform all registered exporters of the launch of the China International Trade Single Window for the electronic issuance of Certificates of Origin for exports to China. The initiative is aimed at improving the efficiency of processing China Certificates of Origin and ensuring that all exporters registered under the China Special Preferential Tariff Treatment (SPTT) are aligned with the current operational requirements for the issuance of electronic Certificates of Origin (e-Certificates of Origin).

In this regard, ZRA, as the designated competent Authority will no longer issue manual China Certificates of Origin. Instead, all registered exporters are required to complete the Excel template shared in their respective email addresses as a way of applying for a Certificate of Origin and submit the completed template to the International and Policy email address, (INTLANDPOLICYHQ@zra.org.zm) together with the necessary supporting documents, namely:

1. Commercial invoice;
2. Packing list; and
3. Relevant permits, where applicable.

The completed template and supporting documents should be submitted at least 48 hours before the intended date of export to allow for timely processing of the electronic Certificate of Origin.
