

## ISSUANCE OF TAX CLEARANCE CERTIFICATE

The Zambia Revenue Authority would like to inform taxpayers that effective **1st January, 2024**, a Tax Clearance Certificate (TCC) will not be issued to non-compliant taxpayers.

A TCC will only be issued to a taxpayer who meets the following requirements:

- a) files all tax returns (declaration of earnings)
- b) Pays all taxes due (have no unpaid taxes).
- c) For those with unpaid taxes, they should have entered into a Time to Pay Agreement at the date of application for a TCC.

Additionally, the public will be required to always check the validity of any printed TCC. Therefore, the public is advised to start scanning the Quick Response (QR) code to verify the validity of any TCC. It is a legal requirement for any person to only deal with a supplier of goods and services who has a valid TCC. Do not deal with a supplier with a forged TCC.

Taxpayers are therefore urged to always be tax compliant and avoid being inconvenienced.
