

PUBLIC NOTICE

ADDITION OF PRODUCTS TO THE CUSTOMS VALUATION REFERENCING DATABASE

This notice serves to inform all stakeholders and the General Public that the Zambia Revenue Authority has rolled out the first phase of the Valuation Control on the Automated System for Customs data (ASYCUDAWorld) for the year 2022, with the addition of the following products:

S/N	COMMODITY	HS CODE
1.	BANANAS, Fresh	0803.90.10
2.	ORANGES, Fresh	0805.10.10
3.	LEMONS, Fresh	0805.50.10
4.	GRAPES, Fresh	0806.10.00
5.	APPLES, Fresh	0808.10.00
6.	PEARS, Fresh	0808.30.00
7.	NAARTJIES, Fresh	0805.90.10

Therefore, customs clearing agents and/ or importers should ensure that the products shown in the above table have Tariff Specification Codes (TSC) at the time of registration of Bills of Entry. Where TSCs are missing, they should immediately contact the port of entry to facilitate TSC creation.

To enhance smooth TSC creation, importers are urged to ensure that invoices bear the following information, among others:

- Brand of product;
- Package type and specifications;
- Commercial description;
- Country of origin;
- Country of supply/export;
- Quantities/weight; and
- Any other specifications that uniquely identify the product.
